Dear Chair Grieve:

Re: Highway 5 Safety

Thank you for your letter of August 16, 2023, regarding safety along Highway 5.

As you may know,

In the medium and long term, we continue to explore potential weather-activated signage at Fishtrap Canyon, possible sightline improvements and minor realignments along the corridor and the potential addition of a commercial vehicle pull out and southbound passing lane south of Barriere. These improvements are being prioritized based on available funding.

Your letter mentioned commercial vehicle safety. As part of our ongoing efforts to improve

vehicle operations

ed. These improvements are being prioritized based on available funding.
